June - July 2010

Dear Pastors and Praying Friends,

I am staying as busy as possible preaching in Ohio, Indiana, Illinois and Wisconsin. We have seen many make life changing decisions, either accepting Christ or dedicating their lives to serve Him. Naturally our hearts desire is for some of them to serve in the field of missions.

We have decided to e-mail our news letter to those of you that have e-mail. It will help us financially. God continues to meet our needs. We thank Victory Baptist and Edgewood Baptist for the special love offerings to help with our extra medical bills you are truly a blessing.

Please continue to pray for Kay, she will find out in late September if the cancer treatments were successful. Then she will have another appointment in three months before she is rechecked. Please pray that the results will be good News. We have put it into the Lord's hands.

We are waiting on someone to call so I can relieve them. Waiting on the call is the most difficult part of our ministry, I am ready, willing and hankering to go. We appreciate your faithfulness over the years we could not make it without your prayer support, thank you so much.
