

SALVATION EVANGELISTIC ASSOCIATION

August, 2011

Greetings Friends,

Someone said: "A friend is someone who knows your faults but still loves you." The average man has only a few good friends in his entire life. Lois and I have a great host of friends - brothers and sisters in Christ; *thank you for being our friend.* Another definition of friends is: *A friend is someone who prays for you.* I know many of you reading this letter prays for us each day and we love you for being such a friend.

Please keep these prayer requests before our Lord:

- The new church being planted in **Singapore**. Doctor Ed Laurena: Filipino pastor, will be there this month to baptize converts and teach spiritual growth classes. Thank you for praying for a place to meet; the Lord has supplied through a local pastor.
- We are working on getting medicine for the clinics. If you know a doctor who can supply us with sample medicine it would be very helpful. Would you call the doctors in your area for donations of medical supplies for the street children?
- This coming January we are planning a **trip to Asia** where we will be preaching in five countries.
- Keep our son Philip and the **church in Birmingham, AL** in your prayers; it had almost died. They have a handful of good folk who are anxious to see it resurrected. We are helping him all we can.
- Jim Males, our son-in-law just finished a "blitz" of door knocking in New Martinsville, WV and found twenty some people who would like to know for sure that they are going to heaven. **Pray concerning the follow-up calls.**
 - ✓ Thank you for keeping Lois and I in prayer concerning our safety in travel! I was involved in a wreck this week when a dump truck pulling a back hoe on a trailer ran a red light and hit my pickup in the back door of the driver's side: just missing me! Thank God for his protection, seat belts, and your prayers! I had a thorough checkup; got on Arnica, and am still going.

Until the trumpet and the shout!
