

HEARTLAND BAPTIST BIBLE COLLEGE

Preaching the Word,

Reaching the World

September 8, 2011

Dear Friend,

THANK YOU FOR YOUR CONTINUED PRAYER AND FINANCIAL SUPPORT!

God blessed us with 426 students enrolled this fall. We are thankful to the Lord for a great start to the semester and we are anticipating a busy fall. We are looking forward to a special time of fellowship and preaching at the upcoming Alumni Homecoming Week, October 10 - 13, 2011. Also, in conjunction with Alumni Homecoming Week, we are excited about the second annual Young Man Preaching Challenge scheduled for October 13 - 14, 2011. Please mark your calendar and pray for God's blessings upon these meetings.

The Lord has blessed Heartland with so many "like minded" and "Spirit filled" preachers. Many have said in regards to the preaching during the 2011 Opening Days, *"It appears the Lord directed the preachers right from the start of the school year by directly challenging the staff and students to focus upon developing a deeper personal walk with God"*. Please pray that God will continue to use the preaching and teaching of these pastors who invest their time into the lives of the students during the chapel times this year.

Again, thank you for your continued prayer and financial support! I assure you both are needed and much appreciated.

May God bless you and honor your faithfulness to Him.

Jeff Copes
Executive Vice President
"We Persuade Men" II Corinthians 5:10-11
